Year Round Fun For Everyone!

The Ideal Getaway!

Current Cutty's Okoboji owners often cite the cost effectiveness of Vacation Ownership, consistent quality accommodations and the flexibility offered as reasons for purchasing.

Here's how it all works...

Cutty's Okoboji Resort Club is a private ownership resort open 365 days a year, near West Lake Okoboji, in the popular Iowa Great Lakes region.

Our resort is sold out; however, as people's lives change, there is always some turnover, as in all real estate. Buying an ownership is a lifestyle investment in order to enjoy quality vacations with family and friends. The "dividend" is a lifetime of memories and unforgettable vacation experiences together. While an undivided interest is deeded real estate, it should not be purchased as a traditional real estate investment. You may know of someone willing to sell their ownership, or maybe you need some assistance locating an ownership.

In either case, our Business Office representatives can assist you and will answer questions you may have regarding the use and enjoyment of a Vacation Ownership with Cutty's Okoboji. The Club also has optional exchange programs with Cutty's Des Moines and Coast to Coast Resorts. These programs make it possible for our owners to maximize their destination and vacation choices with an even greater variety of resorts to explore and things to do.

An undivided interest in Cutty's Okoboji consists of the owner & spouse plus all single members of their immediate family who are living at home under 21 years of age, with continuance up to age 26 for qualifying children. There is a one-time transfer/processing fee at the time of purchase. An annual maintenance fee is also assessed at the time of purchase and then yearly on the anniversary of purchase. Currently this fee is set at \$450.00, a very conservative figure arrived at by our Board of Directors, who are dues-paying owners themselves. The fee covers the cost of property taxes, insurance, utilities, staffing and upkeep of your resort. Once each calendar year, each Cutty's owner is permitted to place one reservation up to 90 days in advance of their arrival, based upon availability. The remainder of the year, owners check availability 14 days or less prior to arrival and stay for a period of up to 14 days each 30-day period or 2 weekends in any calendar month. Owners are permitted one summer holiday reservation, based upon availability - Memorial Day, Fourth of July or Labor Day. Cutty's owners may check availability for a guest reservation, generally 10 days or less prior to arrival. An additional charge applies to quest reservations.
